Technical Specifications

FABRIC TYPE		
Name of Fabric	Recacril®	
Base Fabric	100% Solution dyed acrylic fibers	
CHARACTERISTICS		
Weight	9 oz. +/- 5%	
Standard Put Up	65.64 yards / 60 meters	
Finish	Fluorocarbon / Resin	
Finished Width	60" / 152 cm	
Styles	44 solids	
Limited Warranty	10 years	
SPECIFICATIONS	TEST RESULTS	TEST METHOD
UV Resistance	1500 + hours	AATCC-16
Abrasion Rating	40,000 Rubs	ASTM-4157
Hydrostatic	40 cm	AATCC-127 Method B
Puncture Strength	38 lbs	ASTM-751
WARP / WEFT		
Tear Strength	11.5 lbs / 7.7 lbs	ASTM D-2261
Tensile Strength	287 lbs / 149 lbs	ASTM D-5034 Grab
Shrinkage	0.10% / 0%	Method 5804
Stretch	0% / 0%	ASTM D-2594

SAFETY, HEALTH AND ENVIRONMENT

ADVANTAGES AND BENEFITS

Care and Cleaning

Proper care and cleaning should be taken to ensure the life of Recacril® outdoor fabrics.

For regular care and maintenance, the excess dirt should be brushed from the fabric using a soft brush; the fabric should then be sprayed with warm water (not exceeding 100° F) and air-dried.

Periodically, the fabric should undergo a more thorough cleaning. Again, brush fabric with a soft bristled brush, spray with warm water, then apply a gentle soap. Let stand for 10 to 20 minutes taking care not to let it dry, then rinse thoroughly and air-dry. Do not use detergents and/or solvents.

When possible, please make sure to leave retractable awnings deployed or extended until the fabric cover is dried completely. This will help prevent mildew from forming.

Infinity Process

The Recacril® and Recsystem® canvases are treated with a special technological process to ensure the lasting quality of the fabric. In this process, nanoparticles completely cover the surface of the fibers in the fabric, forming a permanent coat. After treatment, both the surface and the inside of the fabric are permanently protected against dirt build-up, and adverse effects of a wide variety of atmospheric agents.

The low reactivity and high stability of the Infinity treatment endows long-term protection to the awning, especially against mildew, and provides excellent water and oil repellence.
